(*b*) The lessee shall furnish a list of sub-contractors, agents or maistries and servants who may be appointed by him for the collection of the produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others, without the previous sanction of the Conservator of Forests. If any sub-lessees are approved, such sub-lessees shall not further sublet it without previous sanction.

(*d*) The coolies employed by the lessee or sub-lessee must take permits from the Range Officers when they enter State Forests.

(*e*) The lessee or sub-lessee shall keep accounts showing the quantity of the produce collected and removed in accordance with the lease and permits, the inspection of such accounts by any Forest Officer, of and above the rank of a Ranger having jurisdiction within the area referring to the lease, and the officers of the Revenue and the Police Departments, of and above the rank of an Amildar or Police Inspector, respectively.

(*f*) The lessee or sub-lessee, shall render every month to the District Forest Officer, an account of the number of cart loads of the produce collected and carted during the month.

(*g*) The lessee or sub-lessee shall provide printed licenses and passes in triplicate for the collection and for the export of the produce under his signature. In the latter case, each cart load must be covered by a pass. These licenses and passes which will be in books shall be obtained from the Range Forest Officer and will have a seal of the District Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer on the day on which the license or pass is issued. When the books are completed, the counterfoils should be returned to the District Forest Officer through the Range Forest Officer and fresh supply obtained.

N. B.—Forest Forms 84 and 85 shall be used.

(*h*) The lessee or sub-lessee, his agents or maistries and servants shall be held responsible for any fires caused by negligence either by themselves or by their workmen and shall prevent the occurrence of fires in the forests in which they may be working and render prompt assistance in extinguishing such fires as may break out accidentally. They will be liable also under the Forest Regulation, irrespective of any action that may be taken under the contract.

(*i*) The lessee or sub-lessee shall remove, out of the limits of the taluk before the 30th June 1924 all the produce collected and sorted under the terms of the lease.

(*j*) Neither the lessee nor sub-lessee nor his employees shall enter the State Forests either or before sunrise or after sunset.

(*k*) No collection of the minor forest produce will be permitted in the State Forests during the fire season, *i.e.*, from the 15th February to end of April of each year.

(*l*) The lessee or sub-lessee shall not interfere with the recognised right of inamdars.

(*m*) The lessee or sub-lessee has no right to the produce or trees on occupied lands and the village amarai as detailed in para 1 above.

(*n*) No damage will be caused to the trees while collecting the minor forest produce, any such damage will be assessed by the Range Forest Officer, which will be approved by the District Forest Officer. The District Forest Officer's decision in the assessment of the damages will be final. The assessed damages will be recovered from the security deposit of the lessee.

(*o*) The lessee or sub-lessee shall hold responsible himself for the acts of his agents or servants in the business of collection and transport.

11. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the District Forest Officer or the Conservator of Forests as the case may be. In the case of mere forfeiture of the deposit amount, in part, or in full, the difference will be made good immediately by the contractor, and if not, the lease will be cancelled and resold at the risk of the original purchaser, who will be liable for any loss which will become recoverable as an arrear of land revenue but not participate in any profits.

B. NARASIMHAIENGAR,
District Forest Officer.

K. GARUDACHAR,
For *Executive Engineer.*

HASSAN DIVISION.

Notification dated 18th August 1923.

It is hereby published for the information of the general public, that the Anemahal-Mudigere road is closed for traffic owing to the collapse of an Iron Girder Bridge in 4/7 of the road on account of abnormally heavy rain fall on 18th July 1923. The date of opening the same for traffic will be notified later on.

N. G. KRISHNA IYENGAR,
Executive Engineer.

SHIMOGA DIVISION.

Notification dated 31st August 1923.

The right of fishing for the year 1923-24, in the Sulekere tank and in its feeder hallas up to the limit of full supply and maximum water level of the tank, will be sold by public auction to be held near the bund of Sulekere tank in the Channagiri Taluk.

The auction will be held on the 20th September 1923, by the Assistant Engineer in charge of No. I Sub-Division. The intending bidders should deposit before the commencement of the auction, Rs. 10 each bidder, to make him eligible to bid. The highest bidder will pay immediately the auction closes, half the highest bid amount and pay up the balance within three days. Failing which, the right will be re-auctioned at the risk of the original highest bidder and any loss to Government on that account will be recovered from him.

The petty deposits made by the unsuccessful bidders will be refunded to them.

Necessary permit and license for the right will be granted to the highest bidder by the Assistant Engineer who auctions the right and this will be subject to the formal approval of the Executive Engineer.

Regarding the methods of fishing, the licensee will strictly conform to the Government rules in force, *viz.*, (1) he shall not use dynamite, gun-powder or other explosives (2) shall not use balli balle (country creeper nets) (3) also shall not use any means which will tend to degenerate and destroy any species of fish and (4) he should not fish in the egging and other seasons prohibited by the rules.

A. TANDONI RAO,
Executive Engineer.
